Re: Celebrate Freedom Week

Dear Ms. Pérez,

Thank you for contacting Communities In Schools of Baytown about *Celebrate Freedom Week: Civic Engagement, Student Voter Education, and Registration Initiatives*. We are happy to support this effort and promote it with our students.

CIS' mission is focused not only on helping students to graduate, but also to empower them to achieve in life. A core component to achieving in life is recognizing the importance of civic engagement. We desire our students to realize that their achievement is tied to what's happening in the world around them. It starts with their sense of commitment to improve not only their lives, but the lives of others. We encourage opportunities that promote our students to speak up for their beliefs, fight for a noble cause and/or, when of age, register to vote.

Every voice matters! Therefore, we are proud to support Freedom Week, September 17, 2016 by adding our name and logo on the Freedom Week website as an EDUCATION PARTNER.

Sincerely,
